

SNOW FOUNDATION
6th Annual Shootout
SEPTEMBER 8, 2025
 BOGEY HILLS COUNTRY CLUB

2025 SPONSOR AND PLAYER OPPORTUNITIES

Join us for a great event on September 8, 2025 at Bogey Hills Country Club to support The Snow Foundation. The day will feature, 10 Par 3 holes with unique hole in on contests, 4 Par 4's and 4 Par 5 Long Drive holes, a \$100,000 Shootout for 10 Golfers

In the fall of 2010, Raquel Gebel, the five-year-old daughter of Stephanie Snow Gebel, was diagnosed with Wolfram Syndrome, a rare neurodegenerative disease presenting as insulin-dependent diabetes. Unlike common types of diabetes, these children develop blindness, deafness, loss of smell and taste, balance and coordination problems, muscle spasms and seizures, urinary tract issues, irregular breathing, and choking episodes. When Stephanie learned that there were no drug therapies or cures that exist to treat Wolfram syndrome, she knew she had to do something. So Stephanie and her brother J.T. Snow, former San Francisco Giants first baseman and six-time Gold Glove winner, started **The Snow Foundation** to increase awareness of Wolfram Syndrome and to raise money to help find a cure.

The Snow Foundation is the largest independent supporter of Wolfram syndrome (WS) research in the world, playing a central role in advancing international collaborative WS research efforts. The Snow Foundation is leading a global movement of patients, families, doctors, and researchers who work together to improve the lives of everyone affected by Wolfram syndrome.

All proceeds benefit
 the Snow Foundation
a tax-exempt 501 (c) (3) public charity
